

The USDA Forest Service is hiring Wildland Firefighter Apprentices

Want an opportunity to start a career in Wildland Firefighting? Wildland firefighters are tasked with combating wildfires and preventing future fires from starting. The USDA Forest Service manages these efforts on the Savannah River Site. We will soon hire three Wildland Firefighter Apprentices.

Vacancies will advertised on <https://www.usajobs.gov/> starting August 11, 2017, and will close on August 25, 2017.

Visit <https://www.fs.fed.us/working-with-us/jobs/work-for-nature> for additional program information, job announcements, and other participating forest locations.
