SRS Advisory Board to Hold Augusta Public Meeting March 25-26

Aiken, SC - The Department of Energy (DOE) sponsored Savannah River Site (SRS) Citizens Advisory Board will hold a full board meeting March 25-26 at the Hilton Garden Inn, Willow Ballroom, 1065 Stevens Creek Road, Augusta, Georgia. Meetings are open to the public and will begin 1 p.m. Monday March 25, and 8 a.m. Tuesday, March 26. Public Comments periods are included during both meeting days.

The Citizens Advisory Board meeting was originally scheduled to be held in Savannah, Georgia. Due to current budgetary constraints, the meeting was moved to Augusta as a cost-savings measure. A Savannah meeting will be considered later this year.

This is a stakeholder board that provides the Assistant Secretary for Environmental Management with advice, information, and recommendations on issues affecting the DOE Environmental Management cleanup programs.
