

JENNIFER NELSON

**Acting Assistant Manager
for Mission Support**
U.S. Department of Energy
Savannah River Operations Office

Jennifer Nelson is the Acting Assistant Manager for Mission Support for the Department of Energy's Savannah River Operations Office. She has over 25 years of experience with the Federal Government and Private Sector in leadership, management and contracting.

Currently, she is responsible for the oversight and management of the DOE-SR Offices of Integration, Planning, Project Management, and Acquisition Management. She has been the lead for the Managers Continuous Improvement Council and the Federal Project Director for the Advanced Manufacturing Collaborative. She managed in all areas of Federal Contracting including Supply, Support Services, IT procurement, and Construction Management of Federal Laboratories and one-of-a-kind DOE Facilities.

In addition to her expertise in the procurement arena, she provided oversight and management of the Centers for Disease Control and Preventions \$1B Master Building Plan and the Veterans Benefits Administration Buildings, Facilities, and Emergency Operations.

Ms. Nelson has a Bachelor of Science in Adult Education and Marketing. Her interests include photography, dancing and gardening.
